

Dear Parents/Guardians and Students in Kindergarten through 5th grades,

The Emma Andrews Library and Community Center has a good selection of non-fiction books for students in Kindergarten through 5th grades, such as Animals, Arts and Crafts, Biographies, Folk & Fairy Tales, Legends, Poetry, Massachusetts State History, Science, United States History, etc. There are picture subject labels on the spines of our non-fiction books so students can easily find the subject they are looking for.

We also have a wonderful selection of picture books, early readers, seasonal books, chapter and series books, and junior fiction.

We are open on Mondays and Wednesdays from 1 pm to 8 pm, and on Saturdays from 9 am to 3 pm. Our library is cozy and inviting, so please consider us as an additional source to both the school and main city libraries. We also have a wonderful Children's Story Hour and Toddler's Story and Playgroup. We look forward to seeing you!
