DESCRIPTIONS

Tots: Age appropriate games and activities designed to engage young players while on the soccer field. Parents are welcome and encouraged to be on the field with their "partner" or child. Activities designed to increase agility and coordination. There will be a high degree of repetition from week to week to increase familiarity and comfort. Players need shin pads, water, and a size 3 ball.

Kindergarten & 1st Grade: These Sunday afternoon one-hour clinics introduce young soccer players to a fun, interactive and skills-driven way to play soccer, building and advancing everything learned in the younger programs. The program is designed to develop a positive relationship with the game, build confidence and comfort with the ball at their feet, and help kids feel successful through small group exercises for about 45-50 minutes followed by short 10-15 minute game each week. Each child will need sneakers or cleats, a size 3 soccer ball, shin pads and a water bottle.

2nd Grade Clinic: This co-ed clinic is for 2nd graders who have experience playing soccer in our summer, fall or spring programs or an indoor league and are ready to play U10 next summer or fall. This 6-week game-focused clinic will introduce technical aspects of the game such as goal and corner kicks, throw-ins and defensive and offensive play while building endurance on a larger field. Each child will need sneakers or cleats, a size 4 soccer ball, shin pads and a water bottle.

GET INVOLVED...VOLUNTEER!

-  **Parent Volunteers & Coaches are Needed**—A weekly curriculum and coach training will be provided. Coaches will be paired up.
-  If you can help, please register as a volunteer coach when you register your player.
-  Coaches Clinics will be offered this year before the season and once again during the season. We are also looking for people to join the board of Amesbury Soccer. Inquire below.

Soccer is a foundation of our community. For over fifteen years the Amesbury Soccer Association has been providing recreational and competitive soccer opportunities for children in and around the Amesbury area. In 2016 we will continue on a journey to bring quality soccer fields to our city and we are looking for

help in two big ways - donations and volunteers. For more information visit <http://www.amesburyfieldsforkids.org/>.
