

Newburyport Football and Cheerleading is proud to announce the addition of an

Inspiration Team for any child,
Grades 1-8 with physical or cognitive disabilities.

We will tailor the program to meet every child's needs and highlight their strengths. We will perform at select A team football games, as well as at least one cheer competition.

Practices will begin in late August and the season will run until mid-November.

Any questions, please contact Alison Trimper at nbptcheer@gmail.com.
