## James Place Mission Statement

James Place provides consistent, quality child care to children in kindergarten through age thirteen during out-of-school time. As a respected resource in our community, we work diligently with the families of our program along with the schools and other social service agencies to address the individual needs of each child and to assure the children in our care receive consistent care strategies in their home, school and out-of-school environments. We pride ourselves to be a “neighborhood without streets”.

During the school year, James Place is licensed #121331 through the Department of Early Education and Care and is a part of the Child Care Circuit referral and voucher system.

During the summer, James Place complies with regulations of the Massachusetts Department of Public Health and is licensed by the local board of health.
