

Have you ever wondered how important a stuffed animal can be?

Well, we have the answer for you....Stuffed Animals for Emergencies!

Unfortunately, every day in America many children are caught in traumatic, emotional, and transitional situations. That's why the Exchange Club of Greater Newburyport is collecting Stuffed Animals for Emergencies (SAFE), to give these children a little joy during these troubling times. We are collecting NEW stuffed animals to be redistributed to the Police Department in the Greater Newburyport area. The Police Departments use the stuffed animals to ease the children's nerves and calm their fears. These donations let the children know you care and give them hope in a world that at times seems so very cold.

And we're having a stuffed animal drive near you!
