

Sub-Committee Assignments, 2016:

Mayor Donna Holaday assigned as follows:

- **Curriculum, Instruction & Accountability:** Bruce Menin, chair; Nick deKanter, and Christine Miller
- **Policy** - Nick deKanter, chair; Steve Cole and Christine Miller
- **Joint Ed:** Cheryl Sweeney chair, Bruce Menin and David Hochheiser (City Councilors: Larry Guinta, Joe Devlin, Greg Earls)
- **Finance:** Steve Cole, chair; Cheryl Sweeney and Bruce Menin
- **Superintendent Evaluation:** Cheryl Sweeney, chair; Mayor Donna Holaday
- **SEPAC (Special Education Parent Advisory Council):** Christine Miller, representative
- **NEF (Newburyport Education Foundation):** Nick deKanter, representative
- **NTA Teacher Negotiations:** Cheryl Sweeney, Bruce Menin

A discussion on the addition of another sub-committee took place in regards to Communications. The small number of SC members makes adding a committee difficult. Would “policy” be able to take on “communications,” for example? An Ad Hoc committee will look into Social Media/Communications, setting up a School Committee Facebook page. Will this replace email? No, it will be informational, not for discussion purposes.

Assigned as follows:

- **Social Media/Communication (Ad Hoc):** Dave Hochheiser, chair; Bruce Menin and Christine Miller
