

Ecosmith Recyclers Inc.

Leading the Way in NH's Textile Recycling Industry

Now we have a place where you can donate those old clothes and the Nock PTO can benefit. ECOSystems cuts us a check for \$0.03/lb for our donations. The best news is that they will take not only clothes but linens, shoes, handbags and stuffed animals! There are two shiny, white donation boxes located in the loading dock area of the Nock Middle School.
