Getting started with Sora

You can access Sora:
On the library website: https://www.nockmolinlibrary.com
By direct link: https://soraapp.com/library/masslibma
Login with your school email address & GSuite password.

Why read digital books with Sora by OverDrive

Get free digital books and audiobooks!

Build a list of books you want to read.

See and borrow books from school and public libraries in one place.

Highlight and take notes.

Read or listen on a Chromebook, smartphone, tablet, or Kindle.

Set bookmarks so you can quickly go back to interesting parts of the book.

Get access to more books, including hot new books.

Earn badges by reading books and using app features.

Start reading with one tap (after you complete the initial set-up).

Set your reading preferences - screen color, font type and size.

To Set Up Sora

I. Go to https://soraapp.com/library/masslibma on a Chromebook or computer, or if you're using another smart device install the Sora App.

2. Select "Rupert A. Nock Middle School" from the drop-down menu.

Sign into your school

Select your school ⌄

3. Click the green button!

**Sign in using Rupert A Nock Middle School**

4. Enter your school email address or select your school Google account. This will bring you to your G-Suite login page where you can login with your username and password.

Find a book 🔍

Click the binoculars icon at the bottom of the screen. You can browse or, to narrow your search, click one of these tools:
- **Search**: If you know what you want, search by book title or author.
- **Preferences**: Narrow options by availability, format, and language.
- **Collections**: Browse groups of books, such as Rick Riordan Fan Club.

Get more books, more places ≡

- Add your public library so you can see both school and public library books when you search. From the home screen, click the three horizontal lines to get the app menu. Then, click **Add Public Library**. Enter your zip code, then select **Merrimack Valley Library Consortium** and select **This is My Library**.
- You can automatically send digital books to your black and white Kindle reader. From the home screen, click the three horizontal lines to get the app menu. Then, click **Device Settings** and set "**I read books**" to "**on my Kindle**." Books will automatically appear in your Amazon.com account.
