

ANTHOS CAPITAL GAMING AND TECH PLAYTESTER

Anthos Capital

Anthos Capital is Los Angeles' largest venture capital and growth equity firm with \$4B+ in assets under management. We focus on investments in consumer and gaming startups and have made investments in companies and games like VRChat, RamenVR [Zenith: The Last City], Odyssey Interactive [Omega Strikers], Singularity 6 [Palia], Discord, goPuff, and Honey to name a few.

Qualifications

- At least 13 years old
- Access to a gaming platform of some kind (i.e. PC, Console, Mobile, or VR)
- Interest in MMOs, MOBAs, FPSs and other online multiplayer games
- Willingness to test new apps and plugins

The Role

- Only a love for games is required for this role, no background experience!
- You will play an active role in giving feedback on games, plug-ins and apps in various phases of development. You will also help test plugins and other apps the firm may like to get feedback and thoughts on.
- This is a part-time, remote role with flexible hours. Scouts are expected to commit roughly 1 - 5 hours per week to the role.
