

# THE PETERSON SCHOOL

## EXPLORE THE TRADES

We're opening up our school to give prospective students the opportunity to check out our classrooms, labs and all of the trade career options that **The Peterson School** has to offer. Students will experience first-hand the skills needed in each of our programs and discover where their talents fit best for a fulfilling career in the trades.

**Explore:** Electrical, Plumbing, HVACR, Oil Heat, Gas Heat, Facilities Technician, Locksmith, Firemen/Engineer and Wastewater
