

## **Subject: Covid-19 Vaccination Clinic at Rupert A. Nock Middle School**

Dear NPS Families,

Newburyport Public Schools has partnered with Curative to provide a covid-19 vaccination clinic to be offered at the Nock Middle School. Curative is a national biotech company that provides vaccination and testing in Massachusetts and across the nation. **The clinic is open to the unvaccinated Newburyport community members including students, staff and parents.**

### **What vaccines will be administered?**

The Pfizer vaccine will be administered to your child age 12+. The Pfizer vaccine has received full approval from the US Food and Drug Administration (FDA) for individuals 16 and older. It has been approved for emergency use in ages 12-15.

For complete information about the Pfizer Covid-19 vaccine, please visit
