Section G: Personnel Policies	File: GBA
--------------------------------------	------------------

The School Committee subscribes to the fullest extent to the principle of the dignity of all people and of their labors and will take action to ensure that any individual within the District who is responsible for hiring and/or personnel supervision understands that applicants are employed, assigned, and promoted without regard to their race, color, religion, national origin, sex, gender identity, sexual orientation, age, genetic information, ancestry, military status, pregnancy or pregnancy related conditions, or disability. We believe that embracing and celebrating our differences enriches the quality of the work experience and enhances our own personal and professional relationships. Every available opportunity will be taken in order to assure that each applicant for a position is selected on the basis of qualifications, merit and ability.
