 - School Budgets 3/4/24 at the High School Library 6:30 pm
 - Driven by the School Improvement Plan and District Strategic Plan
- **Portrait of a Graduate Next Steps**
 - What does a portrait of a graduate look like? Historical background community involvement in creating the strategic plan. Narrowing the skills to 5 pillars: civically engaged, literate across all disciplines, creative problem solvers, physically/social and emotionally well, and prepared for life after graduation
 - Jan. 12, 2024: Whole district professional development student stories from 11th and 12th graders.
 - Across district building leaders reflecting on the portrait of a graduate (sticker activity); brought to Nock Faculty meeting 2/6/2024. Essential Question: What are the most powerful learning experiences for middle school students?
 - What the activity across the district is showing is that we are all aligned with the most powerful learning experiences and they align to one of the five pillars.
- **Next Meeting March 18**
