**Opening Of School Celebrations:** Parent feedback: coming into school really excited (7th grade and 8th grade). All school assembly - fun way to bring our community together (idea from our teacher leaders) going back to how we used to do stuff. Feedback from “Meet and Greet” helped the transition especially for incoming 6th grade families.

**School Council Year Dates:** 1 Monday a Month.

## **School Council’s Overview**

- To help plan our goals and practices
- Budget
- To create transparency between the members of the group

**FY25 Budget – Timeline:** Starts in November, we will lean on you to help discuss adding items and programs.

## **2022-2025 SIP – Review**

### **Goals for the 2023-24 School Year:**

- Continue working through the School Improvement Plan
- MCAS scores are still embargoed
  - Will review in our October or November meeting
- Using iReady in year 2 (presentation tonight by Superintendent Gallagher to School Committee) to drive our Tier 1 intervention to students to target learning gaps. Preliminary iReady data have a correlation to the MCAS.

**Community Update:** NYS; Great first week! Working with Mr. Markos and the main office to create spaces in Molin/Nock for our programming. The tent is back and drawing kids in. Rendering done and scheduling city vote (TBD). J.C Pohl will present to parents thanks to NYS on Oct. 17.
